OLD CEMETERY BOUNDARY

* The graves in the central north/south row of Old Section C may have been sub-divided for child burials although this is not noted on the Council Map. The names on visible memorials often bear no resemblance to the names obtained from the Council Maps.

This row are almost all unmarked and are very difficult to align with the graves in the rows either side of them.

* The area outlined in bold to the right has been sub-divided for child burials
